## AUTHOR

**Sally Albrecht, M.A.** is the owner of A.I.D. Training and has been working with people with cognitive impairments since 1982. A.I.D. Training offers over 30 copyrighted correspondence courses that address the many poorly understood issues that affect people with developmental disabilities and older adults with varying forms of dementia. She has a Master's Degree in Cognitive Psychology with extensive training in Applied Cognitive Aging and a Graduate Certificate in Gerontology. She currently teaches psychology classes at Lorain County Community College in Elyria, Ohio. She is a past presenter at NADD's Regional Conferences and has written a series of articles for the Activity Directors' Quarterly. Sally is the author of *Managing Dementia: Improving Quality of Life for Older Adults with Dementia*. She serves on the Editorial Board for the American Journal of Alzheimer's Disease and Related Disorders.
