DISTINGUISHED SPEAKER

Cindy Holland, M.S.

Cindy has been working with people with varying disabilities for over 25 years and is a devoted advocate for her friends with disabilities. She has been working as an Instructor for A.I.D. Training since 2002.

Her most popular training lectures include *Outdoor Activities and Programming*; *Snoezelen Multi-Sensory Activities*; and *Finding Meaningful Activities for People with Mild to Moderate Levels of Developmental Disabilities*.

Cindy has a Master's Degree in both Special Education and Outdoor Education and a Certificate in Recreational Therapy. She was a leader in bringing Snoezelen® Multi-Sensory concept to the forefront in the US for individuals with developmental disabilities and older adults with dementia.

Cindy was a presenter at the Third World Snoezelen® Conference in 1999. Holland Consultants develop and implement these Snoezelen® activities for older adults with dementia and individuals with disabilities.

Cindy's publications can be read in Activities Directors Quarterly.
